"SOFT SAUNA" – The novelty of WELLNESS CREATION at SPA DESIGN 2009

At SAUNA DESIGN 2009 WELLNESS CREATION presents its latest creation called "SOFT SAUNA", a tailor-made polyfunctional unit for hotel suites, spa structures and wellness centres.

It is a brand new "polysensorial wellness unit" in which right heating, pure air, sweet music and mild fragrances combine to make users feel pampered in a totally relaxing hug.

"SOFT SAUNA" marks also the entrance of wellness creation to this important exhibition and is on show within the SU.IT SPA stand designed by house architect Davide D'Agostino.

NEW SYSTEMS srl owners of the WELLNESS CREATION brand have been able to create this new unit thanks to their 25-year-old experience in the field of structures and plants for the physical and spiritual wellbeing.

Careful selection of materials and components project innovation, original design, reliable assistance are the basis on which NEW SYSTEMS srl have acquired their reputation of first class operators on the Italian and international markets.
