A long-exposure photograph of a waterfall. The water is blurred into a soft, white, ethereal flow. In the foreground, a large, dark, jagged rock is covered in vibrant green moss. Above it, a smaller, rounded rock is also covered in moss. The background shows more of the waterfall and some dark, mossy rocks. The overall mood is serene and dreamlike.

imagine bathing on a bountiful moon
(what science forbids dreamers easily do)
strip down to your bare senses
and enter a space you can float into
